## **FOR IMMEDIATE RELEASE**

### **Firm Announces Deal Closing Of Franchised Automotive Repair Facility In Maryland**

Atlantic Highlands, NJ – August 18, 2025 - [A Neumann & Associates, LLC](#), a market leading Mergers & Acquisitions and business brokerage advisory firm headquartered in New Jersey with multiple offices along the East Coast just announced the sale of an franchised automotive repair facility in Maryland.

This highly profitable Automotive Repair and Maintenance Company (Franchise) enjoyed significant operating margins and documented profitability with sales regionally. This business currently operates from a leased 6,000 sq. ft. repair shop with office space providing high quality specialized repair services, along with general automotive maintenance to a stable customer base.

The company had been fully reviewed and conservatively appraised by an accredited national valuation firm at 4.3 x EBITDA (2024). The business was pre-qualified by an SBA lender subject to buyer's financials, and by implementing the proposed deal structure an owner operator obtained almost \$200,000 benefit in after-acquisition-debt cash flow in Year #1 – over 100% return on equity investment.

As in many previous transactions, A Neumann & Associates successfully provided the introduction to various acquisition lenders for this \$1mio transaction.
